# TECHNICAL FEATURES & PERFORMANCE

4inLook texture for one-stop beauty

Painted Bevel for real wood looking

Large install without transition

Dimensional stability makes it possible to be installed over 6,000 sf without transition.

A breakthrough of stability

With an innovative black HDF core whose swelling rate is lower than 10% and density is higher than 900kgs/m<sup>3</sup>, LoSwell product enjoys much higher resistance against water and is 60% more stable than standard laminate flooring.
